Monthly Meetings 2021-2022

The Meetings are the popular heart of the Club providing an opportunity to enjoy refreshments and conversation prior to the Speaker. The average number of Members attending each Meeting over the past 6 mtgs is 20.

This is an excellent % given membership issues; especially health related and the pandemic crisis over the past 2/3 years.

The Speaker Programme 2021-2022 was excellent, pulled out of the rabbit's hat by Keith Burton and remains central to the Club's success. Our speakers were:

| | |

Chairman's Reports

Chairman's Report 2021

Hello, welcome back.

It seems appropriate today to say that it's really great to see Members return fit and well after the Coronavirus pandemic.

The Queen in her 2019 Christmas Day Speech described the year as 'BUMPY'. She hasn't yet described 2020 or 2021.

I hope you all managed the challenges with calm, humour and enterprise. We can now resume our Club activities safely and enjoyably. So, the right start now, on behalf of the membership, is with *brief* thanks to our committee.

We held four Meetings 2019-2020. The last one in March 2020 was cancelled due to the Virus. All five physical Meetings for 2020-2021 were cancelled due to the Virus. We did, however, hold 5 Zoom Meetings from 6th May 2020 to 4th March 2021

These were organised by Chris Lee and a great success.

We restarted physical Meetings on 28th July 2021

All Committee Meetings enjoyed excellent attendance and commitment.

Chris Lee: Treasurer & Membership Sec.

Chris managed his first fiscal year and the following Virus period with great perseverance and efficiency. He arranged a new online system for the Club's Banking needs after surmounting considerable obstacles including a potential change of Bank.

He committed a great deal of time and energy to the issue including consultation with the Committee. Chris managed the end-of-year accounts very effectively with cancelled Meetings and Speakers in this period. He also monitors the membership accounts.

Thank you for all your work Chris.

Keith Burton: Speaker Finder

The Bar is set high for this role being a main attraction for Members. Keith maintained the incredible standards of the Speaker Programme continuing an outstanding tradition. He managed the cancellation of the first Virus Meeting in March 2020 followed by 16 more Speakers so we are delighted to be starting again today. Member safety was always the priority. Keith has spent a great deal of time on behalf of the Club in maintaining Speakers and creating a new programme.

Thank you for all the work Keith

John Edwards: General Member

John completed an invaluable Term of Office at the 2020 AGM. He contributed to Committee work and supported the important refreshment start to the day.

John was standing for re-election as GM at the 16 April 2020 AGM. (Cancelled)

STOKESLEY PROBUS CLUB

Chairman's Reports

The Committee Co-opted him as a GM until we could hold an AGM.

I will return to this point under Elections.

Thank you for your flexible commitments to the Club John.

David Stevenson: Secretary

David was due to complete his first year as Secretary at the April 2020 AGM. Disappointingly, David decided to stand down from the Secretary role and resigned from membership in February 2020. He has many other interests he wishes to pursue.

David recorded and presented Committee and Member Minutes with Speaker Reports.

So, its Thanks to David for his Probus work.

Stefan Barnes: Website Manager

Stefan stepped down on 19.11.19 after 6.5 years due to many pressures from his other commitments. Our thanks were extended to Stefan for his incredible work with a gift.

Many thanks Stefan.

Keith Bell: General Member

Keith continues to contribute to Committee issues and creates a very positive atmosphere for Members with the friendly refreshment start to the Meeting. Keith completed his term of Office at the 2021 AGM and was standing for re-election so the Committee Co-opted him as a GM to the next AGM – today.

Thank you for all your efforts Keith.

Derek Whiting: General Member

Derek continues to provide thoughtful comments in Committee discussions to promote the Club in the area and to write poetry and autobiographies.

Thank you for your Service to the Club Derek.

Graham Howard: General Member

Graham completed his first year of Office at the 2020 AGM. He has provided an additional source of ideas into the development of the Club and reviewed the Club Insurance Policy. **Thank you for all your work Graham.**

Kevin Clifford: General Member

Kevin also completed his first year of Tenure at the 2020 AGM. Kevin is an excellent source of studious and insightful comment which has been of great benefit to Committee work. **Thank you for all the support Kevin**

Maj Chuhan: Auditor

Maj managed the change of Treasurer from David to Chris with diplomatic and financial skill. He completed the appropriate checks on the Club Accounts and approves the two

STOKESLEY PROBUS CLUB

Chairman's Reports

Financial Statements presented today. Maj also provides invaluable general support to Club life.

Thank you for all your contributions Maj.

Walter Gregory: Mince Pies

Walter has organised the Mince Pies for Member enjoyment at the January meeting for about 22 years. He has decided, however, that it is time to step down so many thanks for organising so many special refreshments Walter. **Gift**

Keith Bell kindly agreed to continue this important tradition making the mince pies going back to one of his previous careers as a Chef. Thank you, Keith.

Alan Reed: Temp. Secretary

Members should be aware that the Committee Co-opted Alan Reed as Temporary Secretary to replace David Stevenson. Alan's start would have been the 16th March 2020 Committee and Member Meetings but the Virus forced cancellations. Alan had planned to stand for election at the April 2020 AGM but cancellations continued so the Committee renewed his Co-option. His delayed tenure started with a Zoom Committee Meeting on 6.5.20 and was due to last until the next AGM. Alan's personal position, however, has now changed. Disappointingly, Alan resigned from the post wef 4.3.21.

Many thanks Alan for the excellent work. Gift

John Edwards: Temp. Secretary

We have been very fortunate to secure the services of John Edwards. The Committee Co-opted John as temporary Secretary wef 4.3.21 to the next AGM, today, with John standing for the post.

Thank you for all the commitment John.

David Chalk: Website Manager

Following two previous Mtgs which had included Stefan Barnes and Peter Robinson a final Mtg on 9.7.21 with DC, CL & KW concluded with David taking on the WM role. He had already made a significant start to updating the website and confirmed that he would stand for the post.

Thank you for the commitment David.

So, on behalf of the Members, I can say 'thank you' to all those Members offering support to the management of the Club.

A notable milestone illustrating this support would have been achieved on 18.8.20 but the Virus caused cancellations. The milestone was achieved on 5.11.20

100 Committee Meetings since 1986. **Gift**

Communication

Our emailing system is well-used, very effective and complies with GDPR following work by Peter Robinson and myself.

We send out Agendas, Minutes and Information about Trips, Member Lunches and Christmas.

We receive emails with queries and comments so we are able to keep everyone well-informed very quickly. It's a very efficient process with 48 Members online. We still retain, of course, verbal communication routes and hardcopies of information for Members.

Membership (David will Report)

John Upton left last June. David Houston and Mike Brabin resign today.

All for reasons related to health.

We also lost John Foster in June but happily he rejoined in November.

Very sadly we lost David Fordy who passed away on the 6th July and Mike Sockett who passed away on 4th October.

- *We gained 9 new Members*
- Wilf Elliott in May, Bill Graham in June,
- Brian Dinsdale and Kevin Clifford in July,
- David Warburton and David Stevenson in October,
- Fred Logie and Richard Rose in January
- Alec Smithson in February
- Overall, an excellent year for membership.

We currently have 56 Members.

Many thanks to the Members who invited Guests to our Meetings.

This is a very successful practice for attracting new Members.

STOKESLEY PROBUS CLUB

Chairman's Reports

We enjoyed the company of 17 Guest visits through the year so please continue to promote the Club.

Looking forward

Peter Robinson and myself completed a Review of the Constitution and Ethos for 2019-2020 with many proposals for change. The Adopted Constitution will be posted on the Website (Peter will Report)

Peter and I have updated the Membership Application Form and the Committee Nomination Form. They are available as hardcopies or on the website

Committee Membership has flexibility, is very active and is a major item in the Elections to follow.

The next two Member Lunches are October 2019, details to be confirmed and April 2020, details to be confirmed

Peter Robinson has offered to Organise Member Lunches

Trip Suggestions for 2020. This needs to be an Agenda item to allow discussion on the various issues.

David has booked Christmas Lunch for Tues. 10.12.19 at The Wainstones Hotel in Great Broughton.

Keith Burton & Stefan Barnes have produced the 2019/20 Programme and Cards

I have emailed the Calendar of Activities for 2019-2020

Hopefully we will be welcoming more new Members, so it will be another excellent year

And finally

I would like to thank Committee Members for their advice and guidance for me over the past year. Thank you.
